OILSOLUBLE

PRESERVATIVE:

PARABEN FREE

COSMETIC USE:

- › Dried lip care
- › Protective formulations- creates a “second skin”
- › Formulas lip repair
- › Cosmetic preparations for lips lacking elasticity

DESCRIPTION:

DRAGON'S BLOOD LP is combination of exceptional ingredients like **Shea Butter** and **Argan Oil**, with an extract obtained from the latex of the tree **Croton lechleri**, with multiple beneficial properties for lip care treatments.

Main active components from Dragon's Blood are:

- ✓ **Proanthocyanidins:** Main component in quantity. They have strong and powerful anti-oxidant effect (stronger than different forms of vitamin C used in cosmetics). They also protect and strength collagen fibers.
- ✓ **Taspine:** Responsible for its cicatrizing action.
- ✓ Lignans, unsaturated fatty acids, pigments and flavonids.

This composition makes Dragon's Blood LP, **ECOCERT VALIDATED** active, a valuable and ready-to-use ingredient to treatments of dried, damaged and cracked lips.

PROPERTIES:

The active components of DRAGON'S BLOOD LP will:

- ✓ Stimulate the scab formation
- ✓ Help wound contraction
- ✓ Regenerate the skin by promoting collagen formation
- ✓ Improve cracked and damaged lips

Shea butter protects, nourishes, moisturises and soothes dry lips.

Argan oil presents an exceptional percentage of essential fatty acids, the main one is linoleic acid (omega 6, the most essential of all) ensuring the functions of repair and defence of the lip.

CLINICAL EFFICACY TEST:

1› In-vivo lips repair efficacy*:

Twice daily application of a repairing lip balm during 7 days.

Dry lips decreased the number of fine lines, skin dryness and visible desquamation as well, after product application.

**Macrophotographs of the lips before and after a twice daily application of a repairing lip balm during 7 days.*
